BIOLOGY	208	<ul style="list-style-type: none"> <li>Answer booklets will be returned to candidates (who have supplied an address in New Zealand) from individual markers. Please advise the Learner Information Section of the Qualifications Authority by 4 February 1998 if any answer booklet has not been returned.</li> <li><b>Reviews:</b> If you find a mechanical error in any answer booklet, such as marks added incorrectly, you do not need to apply for a reconsideration unless you want to have your whole answer booklet re-marked. Instead, you should return your answer booklet to the Learner Information Section of the Qualifications Authority by 16 February 1998 with a letter explaining why a review is needed. There is no charge for this.</li> <li><b>Reconsiderations</b> apply only to the written external examinations listed on this form. Internally assessed marks have already been checked and verified by your school. Subjects in which a compassionate consideration application has been successful are not listed because a reconsideration is unlikely to be relevant. Compassionate consideration enquiries should be made directly to your school.</li> <li>In a reconsideration, all written examination work will be re-marked according to the original marking schedule and checks will be made to ensure that all marks have been correctly processed. Any attached correspondence will not be forwarded to the marker.</li> <li>Send this application for reconsideration with the relevant answer booklets to the Qualifications Authority before the closing date of 9 February 1998.</li> <li>Payment is to be made by cheque and attached to this application form. Please circle the code number of each subject to be reconsidered. Applications for reconsideration will not be acknowledged.</li> <li>If, following your application for a reconsideration, or a review, it is discovered that you have written on or altered your answer booklet in any way, your application may not be accepted, and some or all of your results may be cancelled.</li> <li>Candidates will be advised of the result of reconsiderations in April. If the final mark has increased, the reconsideration fee will be refunded.</li> </ul>
