Work Attitude and Output

Leonie is an outstanding student. She has clearly defined goals, and has set very high standards for herself. She is committed and determined in her pursuit of excellence. She is a highly motivated, resourceful and enterprising young woman, who has worked efficiently and productively all year.

Leonie is an intelligent and gifted young scientist who has mastered first class work habits and organises her time with precision. Leonie thrives on the acquisition of new found knowledge. She enjoys being intellectually challenged and synthesises ideas with confidence.

Leonie has a creative approach to problem solving and she is prepared to take risks, so as to enhance her grasp of the fundamental scientific principles. Leonie is not only an independent and self directed learner, but she also works effectively on co-operative tasks and is a committed team player.

Leonie has excellent verbal facility. She can debate a point with confidence and she presents her ideas in a fluent and polished fashion. Leonie is a divergent thinker and is to be commended for her scholarly and disciplined approach. She is energetic, enthusiastic and tenacious. She shows great initiative as a learner and appears calm and reasoned when faced with potentially stressful situations. Leonie is astute and has well developed analytical skills.

Leonie was placed second in Biology, second in Chemistry and was highly ranked in English and Physics. Splendid results indeed!

Personal Qualities

Leonie is a most mature, friendly, cheerful and thoughtful young woman. She has a delightful manner and is polite, reliable and co-operative. Leonie is gregarious and derives an enormous amount of pleasure from her many social contacts.

Leonie is a sensitive and loyal friend. She is an excellent listener, always prepared to give practical and constructive advice. She is prepared to go above and beyond to assist others. She is compassionate and considerate.

Leonie interacts confidently with people, regardless of age, gender or ethnicity. She exhibits an understanding of and respect for the customs and values of many cultures. She is most receptive to different points of view and propagates very positive relations with people.

Leonie is a competent and independent young woman. She exhibits a commendable knowledge of global issues. Leonie conducts herself with a great sense of purpose. She has impeccable morals and is steadfast in her commitment to her personal values. Leonie is sophisticated, self assured and always immaculately groomed.

Leonie has been actively involved in all facets of school life. An active participant in the sporting arena, Leonie's sportswomanship and sense of fair play have had a positive impact on her fellow team members.

Leonie shows initiative and enterprise. She is a young woman of considerable potential. Her sense of morality and justice coupled with her splendid work habits and delightful demeanour will equip her well for the next phase of life's adventures.
